18 OCT 2018 - 20 APR 2019  
FREE ENTRY

**ELECTRICITY**  
THE SHOCK OF LIFE

## THE SIGHTS AND SOUNDS OF MANCHESTER'S MILLS

From the spinning rooms to the weaving sheds  
of Manchester's mills,  
these working textile machines  
turned raw cotton into finished cloth.

Watch a daily demonstration  
to see the machines in action.  
Find out about the jobs they did  
and discover what life was like  
for Manchester's mill workers.
